

Student Eligibility Verification for Accessible Instructional Materials*
(Students with print disabilities as defined by Library of Congress regulations)

Student Information:

Student Last Name: _____ Student First Name: _____
 Student ID#: _____ DOB: _____
 School District: _____ School Building: _____
 School Year: _____

Eligibility: To be completed annually

To qualify, the student must meet one of the following criteria:

- The student is blind.

- The student has a visual impairment or perceptual or reading disability that cannot be improved to give visual function substantially equivalent to that of a person who has no such impairment or disability and so is unable to read printed works to substantially the same degree as a person without an impairment or disability.

- The student is otherwise unable, through physical disability, to hold or manipulate a book or to focus or move the eyes to the extent that would be normally acceptable for reading.

Those qualified to provide this verification include a doctor of medicine, doctor of osteopathy, ophthalmologist, optometrist, psychologist, registered nurse, therapist, and professional staff of hospitals, institutions, and public or welfare agencies (such as an educator, social workers, case workers, counselor, rehabilitation teacher, certified reading specialist, school psychologist, superintendent, or librarian).

Certifying Individual:

Name (printed): _____
 Date _____
 Signature _____
 Role: (e.g., optometrist, teacher, school psychologist) _____

* Definition consistent with that in 17.U.S.C. Section 121, based on Public Law 115-261, Section 2(a)(1), October 9, 2018.
